

4th Czech-Israeli Innovation Day on Smart Health 2024

“United in Innovations and Businesses, in both good and challenging times”

Date: Tuesday, November 19, 2024

Time: 09:00 – 17:00

Venue: Prague

Join us to learn how Israel can inspire the Czech health sector in the field of management, education and innovation to support specific projects of Czech-Israeli cooperation.

The program will bring interesting ideas for the management of hospitals, health insurance companies, entrepreneurs, state and public administration, experts from medical faculties and the research sector.

Participate in an exceptional conference with top experts from the Czech Republic and Israel.

Register for the conference [HERE](#) no later than November 12, 2024.
